

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

CLERK OF CHURCH, WILLIAM B. JOHNSON.

TREASURER, MRS. MARY F. EASTAMAN.

FORMATION OF THE CHURCH.

ON the twenty-third day of September, 1892, by the instruction of our beloved Teacher, Rev. MARY BAKER EDDY, twelve of her students and church members met and reorganized, under her jurisdiction, the Christian Science Church and named it, THE FIRST CHURCH OF CHRIST, SCIENTIST. At this meeting twenty other of Mrs. Eddy's students and members of her Church were elected members of this Church; those with others that have since been elected are to be known as "First members." The Church Tenets, Rules, and By-laws as prepared by Mrs. Eddy, were adopted.

The First Church of Christ, Scientist, in Boston, Mass., is designed to be built on the rock, Christ, which includes the understanding and demonstration of Truth, Life, and Love, healing and saving the world from sin, and death. Thus to represent the church universal, and to reflect the church triumphant.

CHURCH TENETS

OF

The First Church of Christ, Scientist.

To be signed by those uniting with The First Church of Christ, Scientist, in Boston, Mass.

1. As adherents of Truth, we take the Scriptures for our guide to eternal Life.

2. We acknowledge and adore one Supreme God. We acknowledge His Son, and the Holy Ghost, and man as the Divine image and likeness.

3. We acknowledge God's forgiveness of sin in the destruction of sin, and that sin and suffering are not eternal.

4. We acknowledge the atonement as the efficacy, and evidence of divine Love, of man's unity with God, and the great merits of the Wayshower.

5. We acknowledge the way of Salvation demonstrated by Jesus, to be the power of Truth over all error, sin, sickness, and death;

and the resurrection of human faith and understanding to seize the great possibilities and living energies of divine Life.

6. We solemnly promise to strive, watch, and pray for that Mind to be in us which was also in Christ Jesus, to love one another, and to be meek, merciful, just, and *pure*.

CHURCH RULES.

ARTICLE I.

REGULAR MEETINGS.

SECTION 1. The annual meeting of The First Church of Christ, Scientist, in Boston, Mass., shall be held on the first Tuesday in October in each year, to listen to the reports of the Treasurer, Clerk, and the Committees, and general reports from the fields of the entire members of this Church who desire to speak of their various experiences.

ARTICLE II.

FIRST MEMBERS AND QUARTERLY MEETINGS.

SECTION 1. Quarterly meetings of the First members of this Church shall be held on the Saturday next preceding the Communion Sunday in each quarter, beginning with the Saturday next preceding the first Sunday in January, 1893.

SECT. 2. The First members of the Church shall vote on admitting candidates, and attend to the transaction of any church business that

may properly come before the meeting. The names of the candidates for church membership shall be read at the Quarterly meeting and voted on.

SECT. 3. If the First members shall become less than forty in number, they shall regain this number, and they shall be persons who have proven themselves, in successive years, strict adherents to the doctrines and practise inculcated in SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES. These First members shall have the same power to act for this Church as the incumbents.

This Rule shall neither be amended nor repealed except by unanimous vote of this Church.

SECT. 4. Seven First members shall constitute a quorum for the purpose of transacting business for the Church.

ARTICLE III.

SPECIAL MEETINGS.

SECTION 1. Special meetings of the First members of this Church shall be called by the clerk upon a request from our Pastor Emeritus Rev. Mary Baker Eddy, or, an order from three

of the First members who are in good standing with this Church. When the clerk shall receive a request to call the First members to convene in special meeting he shall set the earliest possible hour when a quorum can assemble, unless it is otherwise stated in the request. For this purpose he is authorized to use the mail service, and also the telegraph and telephone wires if necessary.

ARTICLE IV.

QUALIFICATIONS OF MEMBERSHIP.

SECTION 1. To become a member of *The First Church of Christ, Scientist*, in Boston, Mass., the applicant must be a believer in the doctrines of Christian Science according to the Platform and teaching contained in the Christian Science text-book, *SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES*, by Rev. Mary Baker G. Eddy. The Bible, and the above-named book, with other works by the same author, must be his only text-books for self instruction in Christian Science, and for teaching and practising metaphysical healing.

ARTICLE V.

APPLICATIONS FOR MEMBERSHIP.

SECTION 1. Applications for membership, coming from the students' pupils, must include the names and recommendations of their teachers. All applications for membership must be addressed to the clerk of the church, who, at each Quarterly meeting, shall read the names of the candidates, and, if requested, may read their letters. The candidates shall be elected by a majority vote of the First members present.

ARTICLE VI.

COMMUNION SERVICE.

SECTION 1. The Communion shall be observed by this Church on the first Sunday in October, January, April and July — by reading selections from the BIBLE, silent prayer, the Lord's Prayer with the Spiritual Interpretation from the text-book, reading the Church

Tenets, reading a sermon appropriately selected from the BIBLE, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, singing of hymns, singing, silent communion, and benediction.

ARTICLE VII.

MEMBERS OF OTHER CHURCHES.

SECTION 1. This Church will receive a member of another church of Christ, Scientist, but not the member of a church of a different denomination, until that membership is dissolved. A member of the Mother Church is not entitled to hold office, teach, or preach in other churches of this denomination except by invitation.

ARTICLE VIII.

CHURCH DISCIPLINE.

SECTION 1. Neither animosity, nor mere personal attachment, should impel the motives or acts of the members of the Mother Church. In Science, Divine Love alone governs man; and a Christian Scientist reflects the sweet amenities of Love, in rebuking sin, true brother-

liness, charitableness, and forgiveness. The members of this Church should daily watch and pray to be delivered from all evil, from prophesying, judging, condemning, counseling, influencing or being influenced, erroneously. The above Church Rule shall be read in Church, by the First reader, on the first Sunday of each month, except on Communion day. On each Communion Sunday, the Church Tenets shall be read from the pulpit.

SECT. 2. The First members are not allowed to report what is said or done in a Church meeting, or the Board of Directors to report what has been said in conference with the Pastor Emeritus, — on penalty of liability to have their names dropped from membership.

If a member shall depart from the Tenets, and be found having the name without the life of a Christian Scientist, his name shall be dropped from the list of membership by a two thirds vote of the First members.

SECT. 3. If a member of this Church shall work against the accomplishment of what the Discoverer and Founder of Christian Science understands is advantageous to the individual, to this Church, and to the cause of Christian

Science, or shall influence or counsel others thus to act, upon Mrs. Eddy's complaint, it shall be the duty of this Church to immediately call a meeting, and drop forever the name of this member from its records.

This rule cannot be changed, amended, or annulled, except by a unanimous vote of the Church.

SECT. 4. It shall be the duty of every member of this Church to pray each day: "Thy Kingdom come," — Let the reign of Truth and Love be established in me, rule me, and rule out of me all sin. And may Thy Word, in Christian Science, enrich the affections of all mankind, and govern them.

SECT. 5. No person shall be made a member of this Church, or remain a member, who claims a spiritually adopted child; or a spiritually adopted husband, or wife; except they have been legally adopted and legally married according to the laws of our land.

Any member of this Church who is found living with a child improperly, or claiming a child not legally adopted; or claiming, or living with a husband, or a wife, to whom they have not been legally married; shall immediately

be excommunicated, and on the grounds of moral unfitness to be a teacher of Christian Science, or a member of this Church.

SECT. 6. In 1895 loyal Christian Scientists had given to the author of their text-book, the founder of Christian Science, the individual endearing term of Mother. Therefore if a student of Christian Science shall apply this title, either to herself or to others, except, as the term for kinship according to the flesh, it shall be regarded by the Church as an indication of disrespect for their Pastor Emeritus and unfitness to be a member of the Mother Church.

SECT. 7. If a member of this Church is found violating any of the Rules or By-Laws herein set forth he shall unless otherwise provided in such Rules or By-Laws, be admonished in consonance with the scriptural demand in Matthew 18: 15, 16, 17; and if he neglect to accept such admonition, his name shall be dropped from the roll of membership.

SECT. 8. No member of this Church is allowed to enter a complaint against another member to the Pastor Emeritus. If one member shall aggrieve or vilify another member, his just redress, and the footsteps whereby to reform his

CHURCH MANUAL

Sections are pointed out in Article VIII, Sect. 7 of the Church By-laws.

ARTICLE IX.

TEACHING CHRISTIAN SCIENCE.

SECTION 1. A member of the Winter Church shall be a professionally teaching or hearing, but is not during the Church rule, or the C. S. A. by-laws, during thereto, as published in the *Christian Science Journal* of April, 1895, shall be expelled from Church membership.

SECTION 2. The following is the C. S. A. by-laws as copied from the *April number of the Christian Science Journal 1895*, pages 1-8.

1. Christian Scientists who are letterly qualified and generally spiritually fitted for teachers, shall engage in three classes. They shall use the Christian Science text-book, which shall consist of about thirty-three chapters, carefully selected, and such only as will give assurance, and promising proclivities toward Christian Science. The teacher shall be morally obligated to promote the welfare of the students, not only during the course, but after it, and to watch well

that they prove sound in sentiment, and practical in Christian Science.

SECT. 3. Teaching Christian Science shall not be a question of money, but of morals and religion, healing and uplifting the race. Teachers shall form Associations, and for the first three years convene as often as once in three months. Teachers shall not silently address the students' thought to handle it, nor allow their students thus to do, except the individual needing it asks for mental treatment. Teachers shall persistently, and patiently strive to educate their students in conformity to the unerring wisdom and law of God, and shall enjoin them to habitually study the SCRIPTURES, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES.

SECT. 4. They shall teach their students how to defend themselves against mental malpractise, and never to return evil for evil, but to know the Truth that makes free and so be a law, not unto others, but to themselves.

SECT. 5. If a member of this Church is found trying to practise, or to teach Christian Science contrary to the statement thereof in its text-book SCIENCE AND HEALTH WITH KEY

TO THE SCRIPTURES, it shall be the duty of this Church to admonish that member according to the Church rule; then if said member persists in misteaching and malpractise, his or her name shall be dropped from the Church record.

BY-LAWS.

ARTICLE I.

SECTION 1. The officers of the Church shall be elected by the Board of Directors at their annual meeting.

SECT. 2. The officers shall consist of a President, Clerk, Treasurer, and two Readers.

SECT. 3. The President of this Church shall hold his office one year only, and is eligible to this office once in three years.

SECT. 4. The President's, Clerk's, Treasurer's and Readers' terms of office expire on the first Tuesday of October.

ARTICLE II.

THE CHRISTIAN SCIENCE PASTOR.

They shall not read from copies or manuscripts, but from the Books. The readers from these books shall commence by announcing their full titles, and the name of the author of the Text-book. The Directors shall select intelligible readers and exemplary Christians to read in Church. They must be members of this denomination. The readers must devote a suitable portion of their time to preparation for reading the Sunday lesson, a lesson on which the prosperity of Christian Science largely depends. They must keep themselves unspotted from the world, uncontaminated with evil, that the mental atmosphere they exhale shall promote health and holiness, even that spiritual *animus* so universally needed.

SECT. 2. This Board shall inform the Pastor Emeritus of the names of their candidates for readers before they are elected, and if she

objects to the election, said candidates shall not be chosen.

SECT. 3. It shall be the duty of the First reader to conduct the principal part of the Sunday services, and the Friday evening meetings, and to personally examine the local candidates for admission to the Church.

SECT. 4. If the reader is found at any time inadequate or unworthy, a meeting shall be called and he or she shall be removed from office by a majority vote of the Christian Science Board of Directors, and the vacancy supplied.

SECT. 5. The first Reader may read, as a part of the church services, selections from the Scriptures, but no selections shall be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, other than those contained in the Lesson-Sermon.

SECT. 6. The First members of this Church shall fix the salary of the readers.

ARTICLE IV.

SECTION 1. The First Church of Christ, Scientist, Boston, Mass., shall assume no official

control of other churches of this denomination and shall be officially controlled by no other church; and shall not change its present Tenets.

ARTICLE V.

Mary Baker Eddy, can unite with this Church only by invitation and recommendation of a student of Mrs. Eddy's, loyal to the teachings of our Text-book, SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES,— unless it be an exception that the circumstances warrant.

SECT. 2. If, at the expiration of said one year, they are found worthy, they shall be received into full membership, but if not worthy their applications shall be void.

SECT. 3. If an individual on probation or a member of this Church is found to be unworthy of this Church's membership, and another member in good standing shall, from Christian motives, make this evident, a meeting of this Church shall be called and the name of that probationary member, or full member, of this Church, dropped from its list of membership.

A full member, or a probationary member of this Church that has been excommunicated, and afterwards, when sufficient time has elapsed to thoroughly test his sincerity, gives due evidence of having genuinely repented and of being radically reformed,—shall be eligible to probationary membership upon a unanimous vote of the First members of this Church. This by-law cannot be amended or annulled except by a unanimous vote of this Church.

SECT. 4. Any person desiring to unite with this Church who is unable, owing to unusual and justifiable circumstances, to furnish the recommendation of a loyal student of our Teacher, the Rev. Mary Baker Eddy, may upon application, be received on probation for one year. At the expiration of that term if this person has given satisfactory evidence to the First members that he is worthy of membership, he shall be received into full fellowship.

SECT. 5. No member of this Church is allowed to report to the Pastor Emeritus a case of discipline, or the cases of candidates for admission to this Church, or for dismissal from it.

9. Said directors shall maintain regular preaching, reading or speaking in said church on each Sabbath, and an omission to have and maintain such preaching, reading or speaking for one year in succession shall be deemed a breach of this condition.

10. Whenever said directors shall determine that it is inexpedient to maintain preaching, reading or speaking in said church in accordance with the terms of this deed, they are authorized and required to reconvey forthwith said lot of land with the building thereon to Mary Baker G. Eddy, her heirs and assigns forever by a proper deed of conveyance.

11. The omission or neglect on the part of said directors to strictly comply with any of the conditions herein contained shall constitute a breach thereof, and the title hereby conveyed shall revert to the grantor Mary Baker G. Eddy, her heirs and assigns forever, upon her entry upon said land and taking possession thereof for such breach.

To have and to hold the above granted premises with all the privileges and appurtenances thereon belonging to said grantees and their successors in office to the uses and trusts above described forever.

And the said grantor for herself and her heirs, executors and administrators covenants with the said grantees and their successors in office that she is lawfully seized in

fee simple of the aforesaid premises, that they are free from all incumbrances not herein mentioned or referred to ; that she has good right to sell and convey the same to the said grantees and their successors in office as aforesaid, and that she will and her heirs, executors and administrators shall, warrant and defend the same to the said grantees and their successors in office forever against the lawful claims and demands of all persons.

In witness whereof I the said Mary Baker G. Eddy have hereto set my hand and seal this 1st day of September 1892.

MARY BAKER G. EDDY.

Signed, sealed and delivered in presence of

LAURA E. SARGENT.

R. E. WALKER.

STATE OF NEW HAMPSHIRE. September 1st, 1892.

MERRIMACK SS.

Then personally appeared the above named Mary Baker G. Eddy and acknowledged the foregoing instrument to be her free act and deed,

Before me,

R. E. WALKER,

Notary Public.

COMMITTEE ON FINANCE.

Whereas, on March 20, 1895, the Christian Science Board of Directors, in behalf of The First Church of Christ, Scientist, Boston, presented to Reverend Mary Baker Eddy their church edifice as a Testimonial of this church's love and gratitude, and she, with grateful acknowledgments thereof, declined to receive this munificent gift, she now understands the financial situation

between the Christian Science Board of Directors and said Church to be as follows :—

The Christian Science Board of Directors own the Church edifice, with the land whereon it stands, legally; and the church members own the aforesaid premises and building, beneficially. After the church was built the balance of the Building Funds which remained in the hands of the Directors, rightfully belonged to the Church, and not solely to the Directors. Therefore, the balance of the church Building Funds which can be spared after the debts are paid, should remain on safe deposit, to be hereafter used for the benefit of this church, as the right occasion may call for it. The following By-law indicates the proper management of the Church Funds.

BY-LAW.

It shall be the duty of the Christian Science Board of Directors to report annually the amount of Church Funds on hand, the amount of its indebtedness, and of its expenditures for the last year. Any gift made of the Church Funds shall require a majority vote of the Christian Science Board of Directors, and a majority vote of the First members of this Church. The books of the Christian Science Board of Directors and of the Church Treasurer shall be audited annually at the written request of the Church, through a committee on finance.

God requires wisdom, economy and brotherly love to characterize all the proceedings of the members of the Mother Church, The First Church of Christ, Scientist, and I am glad to state, that the action of its honorable Board of Directors has given good evidence of their obedience to this requirement. In case of any pos-

sible future deviation therefrom, it shall be the duty of the First members of this Church, to call a special meeting for the purpose of duly considering the questions relating thereto, and to require the committee on finance to visit the Board of Directors, and, in a Christian spirit and manner, demand each one to comply with the vote of the First members on this subject; if any member refuses thus to do, this member shall be dismissed from office and the vacancy supplied by the Board.

Said committee shall inform themselves annually as to the church's financial matters, which are entrusted to the Board of Directors and to the Church Treasurer. If it be found that the church funds have not been properly managed, it shall be the duty of the First members of the Church, to require the Board of Directors and the Treasurer to be individually responsible for the performance of their several offices satisfactorily, and for the proper distribution of the funds of which they are the custodians.

This By-Law is designed, not as much for this hour as for future years, and for the disobedient; even as the Ten Commandments stand for all time, and require all men to act righteously. **MARY BAKER EDDY.**
